Appointment of the Assessment Panel

19. Further to the last Committee meeting, it was agreed to extend the appointment for one extra year, except those who would be found to have failed consistently responding to conflict and availability check, and those Committee members would have concern over their appropriateness to remain. The full list was circulated to the Committee for screening and a number of names were proposed to be removed from the list by members. The Committee reviewed such list and decided to put forward the list to the Board for deliberation, whilst extension of appointment to the invitees would be subject to their return of Confidential Undertaking in case they had not done so before.

20. The Board office received the notification from (anonymized) of his retirement from the former employing agency. His name was therefore removed from the sub-panel of Representative of Employing Agencies under the Panel list. He also offered himself for appointment to the sub-panel of Social Work Professionals. The Committee considered the offer but held the view that the deliberation at this juncture was to extend one-year appointment of current members, that the Board might consider appointment of him when the new round of appointment was to take place but not now.

Revised registration form, renewal form and notification of changes

21. The Secretary reported that the revised forms were discussed at the Committee on Administration meeting and the forms would be further revised and then submitted to both Committee for discussion.
